

CLTRising: Sponsored SAT Tutoring & College Planning

What is it?

- CLTRising is a sponsored SAT tutoring and college planning program that provides services to help high-achieving, low-income students gain opportunities to pursue their dream career path and a college of their choice.

Who should apply?

This program is for you if:

- You are a rising junior who is a high-achieving, hard working student.
- You are willing to put in some extra time and effort to reach your educational goals.
- You want to boost your SAT scores in reading/math.
- You want to receive personalized guidance through the college application, scholarship and essay writing process.
- You are eligible for free/reduced lunch and/or your family receives a lower income.

What services are provided?

- SAT Fundamentals - Pre-Prep Summer Online Program - assistance in building a foundation in math and ELA skills essential for scoring well on the SAT (summer between 10th and 11th grade)
- Weekly individualized SAT tutoring (alternating math and ELA sessions) (11th grade)
- College planning, application & essay revision assistance (summer through spring, 11th-12th grade)
- Provision of SAT resources, including SAT registrations, study guides, transportation to/from tutoring as necessary
- Support with school assignments, time management, scheduling, etc.

What do I need to do?

- Fill out the application completely (either on the Google doc version or print & scan a completed hard copy version).
- Take a video of yourself answering the interview questions provided
- Ask 2 faculty members to fill out the *CLTRising Faculty Recommendation Form*
- Submit the following to Maryanne via email (maryanne@cltrising.com) by the deadline of **April 28, 2021**:
 - Application
 - Two completed faculty recommendation forms
 - Your video interview
